

course would make him academic ineligible." (I received a "C" for the semester.) This is further harassment by Professor Esparza. There is also a notation on it by Professor Curio which says, "Addendum CU (or CW) ok - He was told this same info @ pre-clinic mtg. bc". I do not know what "Addendum CU (or CW) ok -" means, but I do know this is just another form of disparate treatment and harassment to get me out of the program by building up my file in the Radiologic Technology Department.

September 3, 1992- I submitted a written appeal to Professor Curio regarding the "C" grade Professor Esparza gave me in clinical for the summer 1992 semester. (Addendum #1) She supported Professor Esparza's decision.

September 14, 1992- Monday, I went to talk to Dr. Sullivan regarding my written appeal. She got my file and I went into her office with her. The first thing she pulled out of my file to show me was the November 13, 1991 quiz taken in Professor Hunter's class in the fall of my junior year. She then held the quiz of November 13, 1991 in my face and said in a hostile tone, "What is this! You're lucky to still be in the program. If I'd seen this earlier you wouldn't be here now!" She shocked me when she did this. I realize now it was an act of retaliation to my written appeal as well as an act of undue influence by means of intimidation. She continued to pull File Notes out of my folder. When I asked, "Can I see that?" in regard to my folder, she ignored my request and put
