Dear Wilma

Thank you for participating, with other leaders, in this inspiring book which shows teens and young adults what they really can achieve. Each of the successful Americans profiled tells in his or her own words how a dream of success was realized not just through increased earnings, but also in reaching a goal of happiness, freedom, and personal fulfillment.

MasterMedia has kept the price down to \$9.95, despite the black and white photographs, so that Rosey Grier's All-American Heroes is affordable to as many people as possible. We also hope that schools and libraries will feature it.

MasterMedia needs your help in getting the message out that with determination, resourcefulness, and creativity, it's possible to overcome hardships and build a successful life.

Could you please send Rosey Grier's All-American Heroes to a friend in the media, the new administration, or anywhere else that can help make a difference?

Thank you! Best of wishes for the New Year!

Sincerely,

Susan S. Stautberg
