Dear Ms. McGinnis:

I am distantly related to Georgia Lee Mankiller, who is now deceased. She was, I believe, George Mankiller's illegitimate daughter. George Mankiller was my father's great uncle.

I never met Georgia. I returned to Oklahoma in the mid-1970's. Georgia, if I recall correctly, passed away in the early 1980's.

I hope this information is helpful to you.

Best wishes.

Sincerely,

Wilma P. Mankiller
Principal Chief
