Dearest Chief Mankiller,

received
1/21/93

I've made a very special gift for you. So I'm asking your permission to come to Jalequah to present my gift, to you in person.

I was given your name and address by some very nice friends who live in Toluca, New Mexico by the names of Michael and Kathleen Dunning Wolf. They are very good friends of a friend and neighbor of yours you grew up with. (Lynda Gayle Blizzard)

I wrote to Michael to see if my gift for you was appropriate. He assured me that it is very appropriate.

So I'm hoping that you will grant my request. If so you may call me collect at 405-787-0690 it is my Aunt's house. But I'll be glad to pay her for the call and I'm looking forward to meeting you. I am of Cherokee Heritage and I am very proud of that fact. May the Great Spirit enfold you in his loving arms to keep you safe & well. Sincerely, Mary Robinson
