Dear Wilma:

Our conversation at dinner was, unfortunately, aborted by my dinner partner to my left. Nevertheless, I wanted you to know that I enjoyed meeting you and perhaps at some time in the future, particularly if you are in New York, we can talk about ideas for business development in connection with the Cherokee Nation.

At any rate, it was a pleasure meeting you and perhaps we will run into each other at the Inauguration.

With kindest regards,

Sincerely,

Alan J. Patricof

P.S. Your story of your name response was terrific and I have repeated it several times since I have returned home.
