Dear Ms. Mankiller:

I am sending you a copy of a poem written by a 17 year old student at the Sherman High School. I was reading your book when my co-worker showed me the poem her son had written and I thought it was really good.

I hope you enjoy the poem and I think you are doing a great job representing your people. I have very distant ties to the Cherokee people and have always been fascinated with the history of the Indian people.

Warmest regards,
