Dear Mr. Toole:

I am not familiar with the plant about which you are seeking information. Therefore, I am sending you the address of the Eastern Band of Cherokee in North Carolina. Hopefully someone there will be of assistance to you.

I am also going to share your letter with some acquaintances. I am not sure that any information will be forthcoming from the sources.

I wish you continued success in your educational pursuit.

Sincerely,

A handwritten signature in dark ink, appearing to read "Wilma P. Mankiller", is written over the typed name.
