1993-1994
School Year

This year we are continuing our annual "READING AUCTION" as an incentive program to encourage reading.

The students earn points for reading books and completing projects pertaining to the books. The points are deposited into their "SAVINGS ACCOUNTS" to be withdrawn on auction day.

To help make our auction a success, we need an item from YOU. Some examples of popular items are:

T-shirts, pens, pencils, pennants, company products, stickers, books, etc.

As the exciting packages arrive, reading takes on a different dimension. The excitement builds and transfers to enthusiasm for reading.

Will you please send us something we can use for our action this year? Coming from you, it will have special importance.

THANK YOU IN ADVANCE FOR TAKING PART IN THIS EDUCATIONAL PROJECT.

Sincerely,

Miss Donna Hugh
