I understand from Tom, that you and your team might be available to visit with us either the week of July 11th or 18th. Currently, my schedule is open at that time and we would welcome your visit during this period. We would recommend a minimum of two days to give you ample time to meet with local community leaders, CCF and our staff.

Please contact two days of my staff <sup>by</sup> May 1st, to confirm your visit.

We look forward to hosting your visit in the near future.

Sincerely,

Wilma Mankiller  
Principal Chief
