Dear Chief:

Congratulations on your recent selection for induction into the Oklahoma Hall of Fame. I appreciate Oklahomans such as yourself who strive to achieve excellence in their profession and gain distinction through dedication to their chosen field.

As a true Oklahoma success story, you serve as an inspiration to each of us to have this state reach its highest potential for this and future generations.

Chief, your commitment to leadership of the Cherokee Nation and its great traditions continues to bring national and international attention to our state and its heritage. I sincerely appreciate you and the work you have done for all Oklahomans. I hope we can visit during one of my future trips to Tahlequah.

There can be no greater award than from those who know you the best. To be recognized by your fellow Oklahomans must be an honor and a privilege.

Again, congratulations on a well-deserved honor.

Best personal wishes,
