

April 8 1994

Dear Chief:

You have done a wonderful job as our beloved Chief.

I have held prayer with our local clinic staff on your behalf.

I hate President bashing, Governor bashing, Senator bashing that's been going on.

My prayers are that our Cherokee Nation becomes united.

I hate to see you go - God Bless in your every endeavor,

With respect

Rev. & Mrs Calvin Turner

Rt 4

Jay OK.
