Dear Wilma

Thank you very much for helping us get this announcement out to Cherokees in the Dallas and Fort Worth area.

I will put your name first on our mailing list and keep you updated on our development.

We have set the meeting far enough in advance to give your staff plenty of time to mail the announcement, but should there be a problem, let me know.

If you have any information you would like presented at that meeting or have any suggestions, also let me know.

My work #214 248-4141. My home #214 349-7966.

Thanks again
