

Chief Mankiller,

It seems nigh impossible lately for us
to get together, even by phone.

My editor at Bantam has been begging
me to ask you for a quote which can
be used on my book jackets.

If you are willing to provide same, would
you write up one or two very brief
(one or two sentence) sort of generic
comments on the work of RJC and send
them to

Tom Burke

or FAX 212-302-7985.

Thank you so much.
