

3. Janice Gourd

**American Indian Women of the West Coast**

Cut all of page 1 and the remainder of the paragraph at the top of page 2.

Maybe add a sentence and just begin the piece with the paragraph beginning with "Early Historians..."

Cut the last paragraph on page 3 and the first 2 paragraphs on page 4.

4. Millalini Trask

**Native Hawaiian Women**

Needs more about contemporary Hawaiian Women and Changing role of women.

5. Patricia Ireland

**Marching Overview**

The only cut I could make was the second sentence in the first paragraph.

6. Antonia I. Castenada

**Witchcraft**

The discussion of the Inquisition can be dramatically shortened.

The graphic detailing of sexualized Magic on page 4 is unnecessary.

The bibliography is too long.
