

and protection of our costly capitol building. It has already been somewhat defaced, and unless some preventative measures are taken, it will, ere many years have passed, be unfit for the purposes for which it was erected.

It is suggested that you make a suitable appropriation for repairing the building and surrounding it with a durable fence.

Hoping that Divine Wisdom may guide you in your deliberations for the welfare of the rising generation.

I am respectfully

Your obedient servant

SAML. CHECOTE

Prin. Chief M. N.
