Mr Solomon J. Homer,
National Secretary Choctaw Nation,

Sir:

Will you please advise me whether National Auditor's Warrant No. 14, dated October 29th, 1898, made payable to the order of the Franklin Publishing Company for the sum of \$4000.00 for charts furnished, payable out of appropriation Act approved October 29th, 1898, has been paid; also whether National Auditor's Warrant No. 12, dated October 29th, 1898, payable to the order of the Franklin Publishing Company for the sum of \$2500.00, for charts furnished under the appropriation Act approved October 29th, 1898, has been paid. Please examine carefully the Treasurer's records in your possession with a view to ascertaining whether or not they have been paid.

A prompt reply, addressed to me in care of the Interior Department, Washington, D. C., will be much appreciated.

Very respectfully,

J. W. Zorley
Special Inspector.
