

mentioned, and if possible bring about the United action of all, using so much of the Amount appropriated, as may be necessary to defray the expenses, and effect said repeal.

I would again remind you of the responsibility resting upon you as the representatives of the people; of the trust they have reposed in you as the guardian of their rights -- of divesting yourselves of party feelings-- of self and of working for the good of the whole people. May that God who presides over the councils of all nations be with you, and guide you in all your deliberations.
