

WASHINGTON GRAYSON  
PRINCIPAL CHIEF

## Executive Office of the Creek Nation

EUFALA, ~~September~~ <sup>October</sup> 27, 1921.

Dear Sir:

At a recent mass-meeting of Creek citizens held near Morris, Oklahoma, I was petitioned to call a session of the Creek National Council for the purpose of discussing matters concerning the Creek boarding schools.

According to a financial statement recently received from the Commissioner of Indian Affairs, the Creek Nation has insufficient funds for continuing our three boarding schools after the coming fiscal year and I would be very glad to have some expression of opinion or recommendation from the members of the Creek Council as to the disposition of our schools in the event that there are insufficient funds for their further continuance.

Therefore, I invite all members of the Creek Council to meet with me at Big Cussetah Church, about three miles south of Morris, Oklahoma, on the first Tuesday in October, 1921, for the discussion of the forementioned matter.

There is no appropriation or fund available for defraying the expenses of this meeting, consequently the members will be expected to attend at their own expense.

## HENRY KENDALL COLLEGE,

REV. A. GRANT EVANS, PRESIDENT.

MUSKOGEE, IND. TER.,

Nov. 20th., 1902.

General P. Porter,

Okmulgee, I. T.

My dear General Porter,-

Our Presbytery at its recent meeting understood that the Creek Council had petitioned the Board of Home Missions to carry on the work of the Mission school at Nuyaka, as they have been doing for the past twenty years. The Presbytery forwarded a strong endorsement of this petition. I have just heard from New York and they say that so far no direct word has been received by them from the Council or from you.

The contract under which they are now working expires January 23rd., 1903. At the rate they are paying at present it will cost our Board \$1400 to carry on the work until the end of the year. I think the Board will be willing to do all it can, but it had not calculated on this expense continuing and it is very short of funds at present. If it is at all possible for the Nation to pay one or two salaries I am sure the Board can be persuaded to continue bearing the greater part of this expense. In any case it would be well to see that the Board is formally notified of the desire of the Council in this matter as soon as possible.

Yours faithfully,

*A. Grant Evans.*
