

East Central State Teachers College

A. LINSCHIED, PRESIDENT

OFFICE OF THE PRESIDENT

ADA, OKLAHOMA

October
28, 1929.

Honorable E. Guy Cutlip,
Wewoka, Oklahoma.

Dear Mr. Cutlip:

Owing to the fact that I had an engagement at another section of the Association, it was impossible for me to hear your address to the History Department here last week.

However, so many of those who did hear it have told me how excellent it was and what a good impression it made, that I cannot refrain from writing you and thanking you for this able contribution. I only hope that this will not be your last visit to this College.

With very best wishes for your continued success, I am,

Very sincerely your friend,

President.
