Oklahoma City, Oklahoma.

Judge C. Guy Cutlip,
Wewoka, Oklahoma.

Dear Judge:

I am delighted to learn from your letter of March 30 that you have entirely recovered.

I know "dern" well that I missed a good speech and I must confess that my anxiety as to your indisposition was mingled with regret that I should not have the privilege of listening to you again. I have heard you before; I know the treat that all of us had to forego. I know how embarrassing it was to you and yet I hope that if you have any tendency to feel permanently embarrassed, it may be relieved by the knowledge, which I am sure is accurate, that there was nothing but sympathy for you in your predicament, among the members of the audience.

Indeed, I shall be very happy, when I am next in Wewoka, to call upon you.

Sincerely,

J. J. Owens
Vice President and General Manager.
