Mr Will Rogers,

Beverly Hills,

My Dear Will Rogers;

You are not My Dear Sir or My Dear

Mr Rogers to us Oklahomans. You are just Will Rogers .

Personally I have almost a feeling of Kinship for Mrs

Will Rogers as well. My mother was born and raised at

Berryville, Ark.

I ~~just~~ want to thank you for the

nice thing that you have just done for both of my States.

It is not so much the money , while that is a lot of money

but the kind thought back of it all. ~~I imagine that~~

~~are many people who~~ The vision you had

and the sacrifice of your time. I assure you that the

Womens Federated Clubs appreciate it. ~~it~~ While you have

endeared yourself to Oklahoma in many ways in the past

this is the grand Climax. There is nothing you can ask

of us that will will not be willing to at least make an e

effort to give you. We are just holding our breath waiting

for you to be willing to be a candidate for President .

Please thank Mrs Rogers for her share

in this for us, we as women know that she deserves thanks.

also.
