Mr. Roscoe Arrington  
Attorney at Law  
Shawnee, Oklahoma

Dear Roscoe:

I wish you would call your Pottawatomie County Bar into meeting and pass a resolution either approving or disapproving the State Bar Act as it now stands. There is a bill in the senate introduced by Senator Reed to repeal the Act and reinstate the old law.

It would probably be a personal benefit to me to have this done by the Board members themselves since they seem to think that some action should be taken to resist the bill and I would appreciate your taking some action within the next few days and forwarding a copy of your resolutions to your senator and probably publishing the same in your local paper. If not too inconvenient and the action is not approved, I would be glad to have a copy.

Please attend to this matter, if you will understand the urgency, within the next few days.

Yours respectfully,

CGG:ZVR

GOVERNOR.
