Honorable J. W. Clark  
Justice of the Supreme Court  
State Capitol Building  
Oklahoma City, Oklahoma

Dear Judge:

I have been in several times to see you but it just so happened that you were out at that time. I am trying to get as many of the lawyers of your Supreme Court District, the Eighth, to meet with me at luncheon in the Skirvin Hotel on Friday the 19th which is the first day of the annual meeting of the State Bar Association.

I want to especially invite you to be present at that luncheon if you can and also to use your influence to get as many of the lawyers in from the District as possible.

No particular business is to be discussed but I thought it might be nice to have our Supreme Judge and the lawyers of the different counties of his District present at the luncheon at that time more for social matters than anything else.

Let me hear from you and I will appreciate anything you can do in the way of getting these boys in and interested in the work of the lawyers of the State.

Yours respectfully,
