Dear Judge:

I have just been forwarded a copy of your House Bill No. 62 relative to appellate civil courts and am very much interested in the same. I have been of the opinion that any attempt of this kind was violative of the Constitution but, after reading your Bill and the Constitution, I am about to take back-water on the proposition. From your Bill I would judge that you have carefully gone into this matter and perhaps have a brief and if it is not asking too much of you I would be glad to have a copy of any brief that you have prepared in the matter and should I be able to help you in any way in the matter I hope you will feel free to command me.

Yours respectfully,
