Honorable Mac Q. Williamson
c/o State Senate
Capitol Building
Oklahoma City, Oklahoma

Dear Senator:

I am informed by Honorable A. L. Commons of Miami that the bill introduced by Senator Reed to repeal the State Bar Act had been referred to your committee, Judiciary No. 2, for attention. I had written to the chairman of that committee asking permission to be heard whenever you reached that bill in your regular routine and my letter requesting such hearing fell into the hands of Senator Commons and he stated to me in his letter of the 10th that he had forwarded the same to you as chairman of Committee No. 2.

I would thank you for any courtesies shown in this matter and would be glad to furnish any information necessary to a proper determination on the part of your committee of what should honestly be done in the premises. Furthermore, I will be very glad if some time it were convenient for myself and some other members of the Board of Governors to appear before your committee and present our reaction to this State Bar Act as we have found from a rather close association therewith.

Yours most respectfully,

CGG:ZVR

Dear Senator:

I have yours of the 6th relative to open hearing on Senator Reed's bill to repeal the State Bar Act for next Tuesday, March 10th. I can make arrangements to make that date but there are some matters pending here in court that, if not too inconvenient to you and your committee, I would appreciate a later date.

I just now called you on the telephone but you were not in the Senate Chamber nor thereabouts and I shall call again Monday.

I want to thank you very much for your courtesy in the matter and hope that this matter can be attended to at the very earliest possible convenience.

Yours respectfully,

CGC:ZVR
