Mrs. Ina Cutlip,
Uewoka, Oklahoma

Dear Friend:

The newspapers tell me that great sorrow has come to you this week.

I am sorry that I could not be there with you as you and Ray were with me without. I need you. My love and sympathy have gone out to you and to Marie, and I have thought of you many times today.

I had grieved with you. The memories of the many kindly things Mr. Cutlip has done for all of us always will be with us. Such friendships live on through eternity!

May God bless you and keep you!

Sincerely your friend,
Ethel L. Howard

Amo dear:

"hen I wired you last night I thought I might come to "ewoka tomorrow but think that is definitely out because my back is not yet up to such a long drive. I wish I could be with you, but I'll be thinking of you, praying for you and standing by in every way that I know. My heart is very sad and has been since I heard the news last night. In any way that I may help now or later, I shall be glad to do so.

You will be traveling such a hard road now for a time, but life isn't made up of days, weeks, months and years, but only of one minute at a time. "hen you live through sixty seconds, it's time to think of the next ones, which is as God planned that we might keep sane and sweet when faced with desolation and loss. You ~~have been such a snug little~~ family it seems hard to think of life going on with one of you gone.

There is a possibility that I shall see you tomorrow, but if not, you'll know the family has ruled out the trip.

My love always and deepest sympathy now.

Dear Maxine:

I was so sorry to hear of your father's death. Although I never met him personally I know that he was held in high esteem as a lawyer and from your numerous references was a fine father as well, and I am sure with the passing of time these will be a continuing consolation to you.

Sincerely,

Bill
