Mr. Thos. J. Horsley,  
wewoka, Oklahoma.

Dear Sir:

Received your letter last night upon my return to  
the city and am enclosing my check as per your request.

I hope you will be careful in looking up the titles  
so if the lease we purchase should be valuable we will have  
good title and in taking lease or assignment I presume you  
have taken it jointly.

Very truly yours,
