Mr. Guy Cutlip,
Wewoka, Okla.

Dear Mr. Cutlip:

Over a week ago I wrote you in regard to the article we would like you to furnish for our magazine, but I have not heard from you.

Some one said they thought you had gone on a vacation, so I feel that ~~that~~ must be the reason I have not heard from you, besides I know you are a very busy man.

If it is so you can get to it any time soon or not please let me know, for it will have to be in the hands of the printer before very long.

I just cannot make up my mind to ask any one else to write Mrs. Davis's biography after hearing the one you gave unless you just cannot get to it.

With best wishes to you and Mrs. Cutlip, I am,

Sincerely,

Logan C. Corlan

(Mrs. Michael Corlan)

Judge A. Guy Cutlip,
Wewoka, Okla.

Dear Judge Cutlip:

Our Secretary is wanting to give a write up of the life of our friend Mrs. Davis in the Chronicles of Oklahoma Magazine in the near future.

Remembering the splendid tribute you paid her at the time she was honored by the Memorial Society I suggested that he get that for it had never been printed. So at the Secretary's request I am writing you to kindly bring the article up to date and let us have it.

I know the members of Mrs. Davis family that were present on the occasion that you gave the tribute were so well pleased, and I thought it really could not be excelled by any one. It was so condensed and told so much which is the kind of article we would like to see in the magazine.

You will be conferring quite a favor by letting us have the article, or one simelar.

Sincerely,

(Mrs. Michael Conlan)

Dear Mrs. Conlan:-

Yours of the 26th to hand. In reply have to advise that I have not answer the other letter which you wrote for the reason that I was trying to get hold of a copy of the former address. I did not write a speech but spoke off hand and thereafter at the request of Mrs. Korn or yourself I composed one along the lines given and sent it to Mrs. Korn or yourself. I also gave one to Mrs. Davis but unfortunately, now, I did not retain a copy myself. Therefore I have been trying to get hold of a copy. I think Mrs. Kiker at Wewoka has one, but I have neglected to contact her on the matter but will do so at once.

When do you require the article, I would be delighted to furnish the same, if and when I get copy of the former speech. Will you kindly let me know the latest date you should have the manuscript? Thank you.

Mrs. Cutlip will be delighted to be remembered by you. She is in California at this time on account of hayfever. Accept her acknowledgements and best wishes.,

I am, Yours Respectfully.,

C. Guy Cutlip
