Mr. C. Guy Cutlip,
Wewoka, Oklahoma.

Dear Mr. Cutlip:

In accordance with our recent telephone conversation, I am writing this letter to you. Our district meeting will be October 24-26. The History section will be on the afternoon of October 25. Mr. E. C. Wilson, the Secretary of the Association will mail you a program as soon as they are off the press.

Your number will appear on the program as, "The Seminole Indians." That will give you a wide range of latitude for a special topic.

I am writing Mr. Higbee as he was the one who asked us to secure you for this number. We sincerely hope that you may enjoy the meeting as much as we feel that we shall.

Very sincerely,

Edward Davis

Judge Guy Cutlip
Superior Court Judge
Seminole, Oklahoma

Dear Judge Cutlip:

Just a word at this late hour to express my appreciation to you for your lecture of June 19. I feel that it was just the thing the fellows needed, and you interspersed in it enough wit to make it palatable. I sincerely hope that we may be able to have you with us again on some other occasion.

Yours sincerely,

Edward Davis
