

could. Everything he told me, he sit there and talked to me for hour or two and still I can't remember all of these things. I'd like to go back and get his tape recording. And at the present time I am working with Faye. And, which I have worked with her through this Adult Education Program with the Indian people, which was sponsored by the Oklahoma University at homes. It has been pleasure to be with her and work with her in everything, in the way of Indian affairs. She seems to know more about the Indians than I do, at time.

(Not quite, Mr. Ned.)

SANITATION, HEALTH, EDUCATION, WELFARE

Well, anyway, I'm doing all I can in order to help the Indian people in the sanitation program. As for that matter I started out as a representation surveying the Chickasaw people in the Chicksaw Nation. But it has wound up to where I am with the Health, Education and Welfare at present time. Or something else, anything that comes up why I have to go and visit my Indian people.

(Well, then you're not just with the Sanitation Department?)

Not all together now. But I was to start with. But there are so many problems that comes up that where any official has any problems to be solved amongst the Indians, well, they call on me to go and visit with all of the Indian people. Of course, it makes it interesting. I want to help them and I want to help the officials of the Indian Affairs in order to get all the information that they will need. So, of course, I enjoy doing it and I'm willing to go anytime they ask me.

(I know when we were going around together recruiting adult education classes, I know all of them seem to like you. You could get into their homes.)

Well even at that, anytime I stop and visiting the Indians in the community
