

range plans for housing and related programs. On this sheet provide information supplementary to that which may already have been provided by the community. Certification for recent certification of workable program particularly supple--supplementary information as to the following: other lower housing programs that you have in the community. Or planning to request within the next five years. Of course you don't know what you're going to request within the next five years. You do know that you're going to have this request here. But then also if you know of a rent supplement FHA rent supplement program that may be in the area, well this is down here. That's really not vital because our..our market analysts people when they review this application will more than likely have this information at hand and they can find it. If it's not on here. But if you do, if you do know of a rent supplement program project or another low rent housing project in the area there that might be in competition for you with your project. Then list it on here.

(Several people talking.)

(Participant, lady:) How about Anadarko?

(Participant, man:) Anadarko would that be?

(Mr.?:) Let's see. Outside of the city. Well, now you're, you're you have your housing, your mutualhelp housing will be outside the city limits of Anadarko. Now where will your conventional housing, your low rent housing be.

(Participant, lady:) It's outside. (Pause.) South of Anadarko has got low rent housing. That's it's now. Like to stay out of the city as much as we can.

(Mr.?:) Well, I..I don't imagine that we probably..I don't think we would approve another low rent housing project in the city of Anadarko with the Housing Authority being in there. The low rent, on the assumption some one or two people their possibility of their applying for one of these mutual helps. Within our, within the city limits.
