

Mr. ? : Yes ma'am.. Uh-huh. As I say that's the most important thing for justification you'll find for approval.

(Participant, man:) Now I think if we ever get a house built. We'll...I believe we'll get a lot more...(Conversation.)

(Participant, lady:) They have this wait and see attitude by this present time.

Mr. ? : You'll find that in so many instances. Or sometimes there'll be some bad rumors that get started around in the area. (Several people start talking)

(Participant, man:) We had one time something like..bad rumor started.(Laughter)

(Participant, lady:) Two years.

Mr. ? : And then all of a sudden when the project gets built and people see how pretty and nice it is. And somebody moves in and how much they like it.

(Participant, lady:) I think you'll get more applications cause you're taking in the Wichitas and Delawares.

(Participant, man:) We our first five...first four or five months of after we were organized, why we didn't have anything but rumors. No applications. It was just rumors on how bad it was.

Mr. ? : And then over here on this next page. Page 5 by 5. Just list the major sources of employment, in the (not clear). I mean in the area.

(Participant, man:) That will be about the same we had before.

Mr. ? : It'll be about the same, uh-huh. Unless there's been a new industry.

(Participant, man:) I don't think there's been anything new that's went in that would add anything to it. Two Sequoyah orders, got those down.

(Participant, lady:) Well, they might have increased.

(Participant, man:) All the industry.

(Participant, man:) That's what I say...
