

having school. - And then they moved it up there where the present church is now, the old church. Part of that church is the old school building.

(Where is it?)

It ah, it's one, two three miles east of here and half a mile south.

(Did the Army built it?)

No, the government. I don't know who built it. They - they had an overseer over them. But his name was Ben MudEars and that's all he had to do was drive over the Modoc community, Charly Hood when I mentioned the Modocs.

(No you didn't)

Charley, he was a pretty well educated Modoc. He went to Carlisle to school.

(What was his name?)

Charley Hood, and Cory Pickering, she went to Carlisle to school. That's all well, Acie Tuttle went, and Amos Kise went some but what little education they got didn't do them any more good than mine. ((Laughter))

(They were friends of yours?)

Yeah, I knew them all.

(What, were they tribal leaders?)

Well, Charley Hood were more of a tribal leader because he was educated. See then there was George Denney, he was an old Modoc. (Name not clear) he could talk good.

(Did the Modoc have a tribal council or were they just under the government?)

They were under the government, they had old Sam Ball was the Chief and YellowHammer he claimed to be a chief too, but then I don't know which one was chief. Of course, old Sam died quite a while, but YellowHammer he went back to Oregon, if I'm not mistaken.

Man: What was Charley Scarface?

Well, his, I believe his name was Miller, Scarface Miller, seems to me like that was his name.
