

OWNED TWO FERRIES AT ONE TIME

I had a ferry right down here at the mouth of Warren Bryant, then Seabolts had one down here at the what we called the Ottawa Bridge. We had two ferries, running back up the river there at the Promenade.

Man: Seabolt was Ottawa wasn't he?

Yeah, he was Ottawa. George was his name. But they called him Seabolt.

Man: I haven't heard that name in I don't know how long. Wasn't he related to Laudie Daws or Laudie Daws was related to him or - - - -

Well, I don't know what the relationship was. Whether there were any or not.
