

southwest of Hobart, Oklahoma. These mountains were known as the End Mountains, because they were the westernmost mountains of the Wichita mountain range. In southwest Oklahoma.

Firing the fatal shot that killed Tia ah kiah was a Lieutenant Hudson of the Fourth Cavalry. One of the strange incidents of this was that Lieutenant Hudson died of an accidental bullet shot wound on the same day that Tia ah kiah was killed. Lieutenant Hudson was killed later in the day, when this Fourth Cavalry returned back to their camp.

LIFE STORY OF LONE WOLF:

The following account tells something of the life story of Chief Lone Wolf, who was the last recognized chief of the Kiowa Indians, and the one who lived in Hobart, Oklahoma. The following was given by the great grandson Bruce Lone Wolf:

Chief Lone Wolf, who was not related to the original chief by that name, died in 1924 and is buried in the Indian cemetery south of Hobart. The name chief in the Indian tribe means the highest rank held by an individual, which means president, leader, or general.

Chief Lone Wolf was a member of the Kiowa Indian tribe, commonly known as the Plains Indians. His birthday and place are unknown to the Kiowa tribe, as they went from one place to another, due to the treaties made with the United States government, and then revised. This placed them in one place, and then they were forced to move to another. Also the names of the month were unknown to them, as well as the year. Only way they can tell was by seasons of winter, spring, fall, and summer.

Chief Lone Wolf's boyhood was that of an ordinary Indian boy; living outdoors in tent, or tipi, and playing with other boys of his age. At an early age, he learned to ride horses and handle bows and arrows, also in hunting game, large and small.

As he grew older, he had to join some organization in existence in the tribe at that time. The purpose of these organizations was to teach the growing boys the duties of soldiering, as well as the social life of the tribe. Oh, and I might add at this point that when Mammedaty was bequeathed the name of Lone Wolf,
