

Oh, yeah. Lots of deer though.

(How about--you had good timber then.)

Oh, yeah..

(Lots of timber.)

I kill two deer myself with a knife one time.

(You kill two deer with a knife, well. You sneak up on them?)

Yeah, no, it's on the river, you know.

(Yeah.)

They jumped in the river deep, and they were fighting in water, swimming, you know. I cut his throat, one of them, well, both of them--got both, didn't do it at the same time though.

(Well, that takes a good man to do that now.)

Oh, boy, I know that.

(Yes, sir, them were good old days.)

Oh, yeah. These deer, they were swimming. They quit fighting. They swim across.

(Yeah.)

In the shallow water--get to them better.

(Well, what kind of gun did the men used a long time ago?)

Muzzle loader, they call them.

(Muzzle loader.)

Shotgun. Oh, yeah, oh, yeah.

GOOD FARMING - HUCKLEBERRIES

(AGood farming in this--)

Well, yes. They didn't have no big farm, but they generally have a farm
(children in background)

(Yeah.)

They raise (children in background)
