

there's lots of books written about that. Lots of information that's been gathered on research. Yet it's not the truth, what they say. The actual truth comes from the Indian. It will relate to--it's going to hurt somebody (in the sense, probably, that some Indian families might not want to let it be generally known the extent of their involvement in some conflicts--JJ). I was relating something to that--but we do know. We do know. (Some comments which are difficult to understand)

COMMENTS ON CUSTER AND THE BATTLE OF THE LITTLE BIG HORN--
YELLOW NOSE'S STORY

That Little Big Horn also took place. I hear that. Little Face was in it. Little Face. He was a young man when that happened. He was in that--Little Face. Jess knows that man. His name was--we call him Yellow Nose. He came over to my home. A bunch of us were there. Old people that's living then--Old Man Coyote, Victor Bushyhead, (other names, not clear). In front of them old men they sit down. They talk. He talked, that man--Yellow Nose. He was blind. They always lead him around. He got to talking after he eat. They tell stories, you know. I sit there and listen. Some of the people, they make up stories. Some of the people, they want to be it. I know that man--Yellow Nose. He's talking. He's talking about what took place up there--Little Big Horn. He was in it. And Little Face was in it. Yeah, Yellow Nose was there. The Cheyennes took him when he was a little boy. They raised him. He wasn't Cheyenne--he was a Ute from the mountain states--a Ute Indian. We call him (Cheyenne term). They raised him. He talk good Cheyenne. We were talking. I always remember what he said. He said it happen--that Black Kettle Massacre. He was a big man--Custer. Talking. While they were all in camp. And there was some Sioux there. Those Northern Cheyennes, they know that pretty well. They captured one fellow while these fellows were riding around--these strangers. He was Custer's scout. They got him. They brought him into the camp. Otherwise they question him. They were going to hold him--what I would call "third degree." They kind of make him come out of
