$\Rightarrow$ you would hear a town hollor and cary, because we depond on this govermental agoncy located in our town. - I need not renind you that; Riverside near Anadarko; that the Kiow agoney is within the city linits of Anadarico. We will benafit by having it in a better centrally located area for the fact that we, too, can benefit junt as southrest. people use.it. I have arother resolution, Wa have heard coments -(vords' not clear) in regard to our schools up here in noarby Arkansas City. The Chilocco Indian School bearding mehool (intorruption-itape recorder mafunction). (Words ingudible) that there are hundred and fifty thougand young Indian children, of which two-thirds of that hundred thousand attond public schools. And (words not clear) inefficioncies and of lovet grade level than those that attonded boarding schools; and that the two-thirds of our Indian popalation whatever that eught to beit had as high as six hundred thousand, I have read--but two-thirds of that many people are under'seventeen years of age. Now, you and I and other concernpd people must realise that these dre our sthadents; therefors we mast be concorned about their wilfare. Whon the highect as a whole in
 Okilhoma, Arisona, Hew Mexico. om down and oven in Alaska, when thirty to fort per cont of these Indian people are un-mployed, this we must roflect in the way of tryling to find a better may of preparing so that they can ${ }^{\text {采 }}$ becone a proud people once again. My resolution readiss "A Resolution to. pofition for cortain changes in the educational progean in the curricolum oparated by the Burcall of Indian Affairs; Whoreas, nine boarding schools exist now in Okiahoma which are operated by the Burean of Indian Affairs for the cancation of students of Indian descent; and thoreas, the said nine boarding schools have been operated for many yeurs with unquestioned of Indian descont; and inseas, now it appears obviously that the educational progran of many years fails to adequatioly meet the educational
