

(Is Juanita Rose the youngest?)

Juanita Rose is the youngest. This one is the oldest. Baron is the middle one.

(Now Juanita, Leroy's sister, does she have any children?)

She's got seven! Got seven boys and two girls.

(Do they all have the same father--this white man?)

Yes.

(Do you know their names?)

Johnny is the oldest. Johnny Leonard. And then the next boy is Chet--Chet Howard. And then oldest girl's name is Dawn. And then the other girl, her name is Christine. And I don't know the little one's name. There's one little boy named Matt. And then there's George. What's that little one's name? We don't know that other two little boys.

(O.K. Now I've got six names--are there two more or just one more?)

Well, she's got seven. I don't know the last one. The youngest boy.

(Now, this Rosie Jean Howling Buffalo that lives at Seiling, does she have any children?)

No.

(She's the one that's married to Jerry Moore, the Oto man, but they don't have any kids?)

Yeah.

(What about Hannibal?)

He never was married.

(How about Thomas?)

Yes, he was married.

(Did he have any children?)

Four. Two girls and two boys.

(Did they all have the same mother?)

Yes.
