KIOWA CHURCH HYMN- HE IS A DEVOUT CHRISTIAN

Now I shall turn my old way of religion that is tradition of Indian Kiowa belief. How the missionary discover a new world and they brought the Bible to our wild savages, killers and murderers. Today, I'm happy that I found that new salvation of Jesus Christ. And I'm happy that I'm a member of the Baptist organization. The church won't save nobody, no religion, or church can save nobody, the salvation is on Jesus Christ, folks. I'm telling you. I was an alcoholic. I'm a professional ballplayer. Many years ago I played big league ball but alcohol had me down. I got five bullet holes in my body. So I'm happy that I found Christ through my mother's prayers. My mother never did go to church. She went to church alright but she don't know the Bible. She couldn't talk English. And my sisters, through Dorothy and Margaret and Annie prayed for this drunken alcoholic and I found Christ. I was born again. Anybody can be Christian but we need to be born again, folks. Go to church somewhere where you get your spiritual strenght. That's what a church for. So many churches are empty today. Why, cause, they criticize the other people too much. Today I'm happy that I found that salvation, his own Jesus Christ. I found it. I shall now sing a Kiowa hymn that I like.

(Sings Kiowa hymn.)
