Uh-hum.

OLDFIELD BEND COUNTRY

(Now Oldfield Bend now where was that on Grand River?)

Right south of where I was raised.

(Well.)

And (words not clear) and sister lives right at the beginning of Oldfield Bend.

(Yeah, that was a prominent place in those early days.)

Oh, it was' a farming country; real farming country.

(I've heard so many people talk about Oldfield Bend.)

It was real farming country. And there's been a millionaire from up about Wichita that's bought up the land down there. And I believe he's got a flying field, private.

(Hum.)

And, oh, he owns a whole of that country down there. But there's lot of resorts and things. Let's see, what's the name of that.

(Interruption.)

DISPUTES THE REAL BURIAL PLACE OF STAND WATIE

(The Watie and the Bell family all lived in Oldfield Bend.)

Yeah. And Stan Watie they said he was buried there but he was not.

(No, he wasn't.)

But his son; I think his little boy and his wife were buried there.

(Yes, ma'am.)

And it's an old deserted place there.

(Yes, it is. Uh-huh.)

I know we used to pass there when we went down to Oldfield Bend.

We used to go down Oldfield Bend, pick berries.

(Stan Watie's wife died first.)

I think so. And she went off over on the east side.

(Yes.)
