

They'd be lots of salt hauled out of there.

(Well)

Used oxen. Pulling that wagon (words not clear) somewhere.

(Well)

I wish many time (words not clear)

(Well.)

(words not clear)

BOUNDARY LINES OF THE CREEK NATION

(Yeah. That was over in that Creek Nation there. Yeah. Did the Creek Indians live up in this country any at all?)

No.

(They stayed further on south and west.)

Further on southwest.

(Yeah. Yeah, they wanted to be close to their own people, I guess.)

Yeah. A few Creek out here on south of here.

(Yeah)

See, their line was on that hill.

(Yeah)

Then go on round that way.

(Yeah)

I don't know whether that line post is. I think it was right in through there.

(Well.)

(And that is the corner where the Creek Nation line turned and went west.)

Well, no.

(Or was it on the north-south line?)

It was north-south line.

(Yeah)

North-south line. I don't know why it stopped off here. Do you?
