term I believe it was. Now, I look at it this way, why didn't they elect a chief thrpugh the Cherokee Nation. It could be set up that way. Now, all these things is my own opinion now, every person has a different opinion. Now, that is my opinion about it.

(Well, Luke, I want to thank you a lot for talking to me tonight. If it's okay with you, I'll come back again sometime and we'll talk some more about Cherokee history.)

All right. You're welcome any time that you come over here, and I'll be glad to do it--to tell you anything that I know. I hope when you leave here that you found peace at my house. I'm glad that you come. You're welcome to come anytime now.

(Well, I always do. You always make me feel welcome when I come around you all. Okay, thank you very much)

(End of Interview.)
