

CHRISTIE SPRINGS - NED CHRISTIE

You've been over here at this--what they call Ned Christie Springs, haven't you?

(Let's see. You know where that is, dad?)

(Static)

(Ned Christie is on up that holler there, I believe.)

(too low) half mile. Go back east over there half mile. Where you cross that creek there. You know where Mrs. Victory lives right over there.

(Yeah.)

Another house right east of there. Its about -- another house on east of there bout where around there somewhere. That's where Ned Christie had his house.

(Well.)

And he got killed just up beside there.

(Oh, he was killed there close to his house.)

Yes.

(Silence.)

Got shot down here. Little hill down here they call Ned Mountain. Well, on the west side of it there, where his neighbor had to build a fort around there. House. It's rock. Some of the rocks are still there.

Third voice: What was he, your cousin?

No. He's my uncle.

(Static)

TOWN OF WAUHILLAU - OLD MILL

(Yeah. Main road came right through there.)

-- rocks down at old Wauhillaau.

(Yeah.)
