

I just don't know. I remember I went there not long after they went to burying there... And timber was growed up all in there. Mostly just trees about that big./

(Yeah.)

And then they had to clear that out, you know, 'fore they could take anybody in there to bury'em.

(Well.)

Well, they call it the old Sanders cemetery.

(Yeah.)

Old man John Sanders lived right there by it. I think he give'em the land or something.

(Yeah.)

And that's about the only cemetery there is, that I know of, around here.

Next one, I guess, up by Christie. (words not clear) Leave here and go California someplace try to make a little money. Boy, I tell you, I wouldn't give this old place up for none of it around here. All he wants, if we can just make a living on it.

(Yeah.)

(words not clear) Indian payment, didn't you?

(I got a little bit.)

Well, I did too. That's a sight the way they cut that up.

(Boy it is.)

Could have a good pay if they hadn't--

(They sure messed it up.)

They did. Some people got part of mine wasn't even Indian. They were married relation.

(Well.)

If they'd paid it out--well there was two ways the way I look at it. Paid
