

tobacco down and we put ours down too. Then we go ahead and use that medicine. But they always have water, setting inside all night..the Caddoes and the man that tends the fire he telling you how to go. He says well anytime you boys want water you ask the fireman. He give you a drink. So they had it there all the time all night long, that water. In the morning these boys get fresh water. And they all gouotin the morning they go out and wash, outside. Wash up. Everybody get through washing we march back into tipi. Then our breakfast comes in. For our breakfast we get a blessing from somebody..thanks for our breakfast. So when we get there we go ahead and eat. Just like..we got ways like Osages about eating in the morning. Just like the water and things like that. From that meat, they got candy, just like Osages, and cookies and just like I tell you Hi-Hos. That what they do them Caddoes. But everybody smoke. They say anybody want a smoke druing the night, maybe some of us got the habit smoking plenty tobacco here, or if somebody want to go ahead take this tobacco andpray it's alright that away. Cause it's just like he say. But he got an interpreter, Francis Williams. He say there's plenty of tobacco here for anybody that wants to smoke, maybe to make a prayer, or somebody just got the habit of smoking. Tobaccos right there he's welcome to it. Plenty medicine up here.

(Can you smoke tailor mades at Caddo meetins?)

No. Bull Durham. Or you can go outside, some of them does. They go outside and smoke tailor made cigarettes or a pipe, but not inside. But them Osage did it, in the moring, but these Caddoes, they don't do that.

(You go to a lot of Caddoe meetings don't you?)

Oh yea.

(Do you get to more of those than Apache meetings?)

Yea, cause the Apaches don't have many. That's the reason I don't go they don't have meetings. Caddoes have meetings, lots of meetings. Why these Caddoes have a meeting every week sometimes. Dast month, I went to all of them but one. I played hooky. I just couldn't make it. Some boys that lives in town here uses it. Works down here works at night and there's a boy one of them Wooster boys, he works but
