

(Yeah.)

Down south top of the mountain. Little old rock store there. Little old gas station right side of the road.

(Yeah.)

Turn to the left at that little old rock store. Just stay on the road till you get passed the Johnson Spring. Stay on that road.

(Out from Gore there.)

No. Johnson Spring School there. You turn at that store up there.

(Did you ever hear from a Sulphur Spring that was down in that part of the country at one time?)

Yes.

(Where was that located?)

Down here on the highway as you go up north of here.

(Is it still running?)

Well, I don't know. I don't know whether it is or not. I don't know.

(I've never did see it, but I've heard about it. Sulphur Spring.)

There's a Gun Springs school there.

EDUCATION

(Yeah. What school did you go to when you was a young fella?)

Huh?

(What school did you go to when you was a young fella?)

I was at Braggs. Up there on the side of the road as you turn at the corner. The Indians call it the old Indian School House. Braggs School.

(Yeah.)

Went there till they built this school up there. Then went here. Moved over there. Gun Springs. They got a church house up on that side of the ridge there.

(Yeah.)

Its called (not clear) Town. You go out Ward's store that way.
