* ****	A -3- T-526
•	They sure did. When that fill up then, when we'd go up there and Thewahlee (?)
	and Huchche (?), Jaubba (?), all those places.
	(Was it just the Indians?)
	It was just the Indians.
	(Did they teach in Creek or English?)
	English.
	(They did!)
	Uh-huh.
	(Oh-h-h.)
	They taught school in English and so we had a pretty good time in school. Of
· · ·	course we had hard times, you know.
18'	FAMILY ALWAYS HAD PLENTY TO EAT - PREPARATION OF FOODS
	(Did you all have plenty to eat though?)
	Yeah. We had plenty to eat.
	(Through the winter?)
	(Through the winter?) Uh-huh, through the winter. We put up grapes and things like that, you know
•	Uh-huh, through the winter. We put up grapes and things like that, you know
*	Un-huh, through the winter. We put up grapes and things like that, you know and all of that. So we made it just fine. We had milk, butter and everything.
	Un-huh, through the winter. We put up grapes and things like that, you know and all of that. So we made it just fine. We had milk, butter and everything. (Meat?)
	Uh-huh, through the winter. We put up grapes and things like that, you know and all of that. So we made it just fine. We had milk, butter and everything. (Meat?) Yeah, we had plenty of meat.
	Uh-huh, through the winter. We put up grapes and things like that, you know and all of that. So we made it just fine. We had milk, butter and everything. (Meat?) Yeah, we had plenty of meat. (How did you all fix meat to keep it through the winter?)
	Uh-huh, through the winter. We put up grapes and things like that, you know and all of that. So we made it just fine. We had milk, butter and everything. (Meat?) Yeah, we had plenty of meat. (How did you all fix meat to keep it through the winter?) We'd salt it down, you know, with that dry salt. And it kept so good!
