

there.

(The coals are buried down there somewhere. Now this is a sacred fire that they supposedly carried from Georgia and North Carolina, isn't it? That they never let it go out. Well, our tape is about run out for this session. So, I wanted to tell you all that I was real thankful for you helping me out this time. I hadn't expected Mr. Carey to come in and talk to us this time, cause I had intended to get him at another session, but perhaps I'll still have that opportunity. But it certainly has been a pleasure and I want to thank you for helping me with my work. So "wha-don."
