go down there. Cherokee writing then	he'd send it to me and I couldn't
hardly read it. I had to get some mor	e Indians (not clear)
(Yeah)	
Explain to me just what it says.	
(Never could find it though.)	
He found the combstone, but somebody h	ad it right there inhe found the
tombstone all right but he (not clear)	away from the grave, you know.
Had it for steps, he said. Just like	this tombstone. Just lay it down
on it (not clear). They wouldn't kno	where you got it. That's just
the way he did.	
(No, once you move 'em. It's hard to	put 'em back to where they are.)
Had to put it back. Yeah, that's (sta	tic-tape, not clear) one time (static)
all the Cherokee writing.	
(Oh, yeah, the one they call it the ju	mper?)
Yeah, I guess that's the name of it.	
(Yeah, I found it that way.)	
That was the old grave.	
(Oh, that one is an old, long time ago	b.)
Homemade.	
(Yeah, homemade.)	
(Not clear) working on the road. I w	was working for the county, you know.
We came out on that on the road.	
(And then one time way east of there of	old Swimmer place there's a little
bitty one there too.)	
There is?	
(Uh-huh.)	
(Tape skip)	
People there.
